Take time to think …
It is the source of power.
Take time to play …
It is the secret of perpetual youth.
Take time to laugh …
It is the music of the soul.
Take time to pray …
It is the greatest power on earth.

Gold, for an instant,
lost its lustre in his eyes,
for there were countless
treasures of the heart
which it could never
purchase.

- Charles Dickens

The Rising

He told them another parable: "the kingdom of heaven is like the yeast a woman took and mixed in with three measures of flour till it was leavened all through."

I was just thinking
one morning
during meditation
how much alike
hope
and baking powder are:
quietly
getting what is
best in me
to rise,
awakening
the hint of eternity
within.

I always think of that
when I eat biscuits now
and wish
that I could be
more faithful
to the hint of eternity,
the baking powder
in me.
