Togetherness

Death is nothing at all – I have only slipped into the next room
Whatever we were to each other that we are still
Call me by my old familiar name, speak to me in the easy way you always used
Laugh as we always laughed at the little jokes we enjoyed together
Play, smile, think of me, pray for me. Let my name be the household word that it always was. Let it be spoken without effort
Life means all that it ever meant
It is the same as it ever was; there is absolutely unbroken continuity. Why should I be out of your mind because I am out of your sight?
I am but waiting for you, for an interval, somewhere very near just around the corner. All is well. Nothing is past; nothing is lost. One brief moment and all will be as it was before – only better. Infinitely happier and for ever- we will all be one together with Christ.

THE GIFT OF A CHEERFUL DISPOSITION...
The easiest way to feel good is to extend a kind word to someone, really...It's not that hard to say, "Hello" or "Thank You" or "I love You".
