Discovering one's own riches

In my life I have lived on the shady side of the road
I have watched my neighbours' gardens across the way
Revelling in the sunshine.
I felt I was poor and needed my neighbours' help
And from door to door, I went in my need
Asking for help.
The more people gave me from their abundance,
The more I became aware of my beggar's bowl.
Till one morning I awoke from my sleep
At the sudden knocking at my door
And you came and asked for alms.
I broke open the lid of my chest at your request
And was startled to find within that I possessed wealth.
