Loving and Generous Father,
We thank You for the blessings of the harvest, for the goodness of the earth,
and for the hands that work so hard to provide our daily food.
We give thanks for the farmers, for the changing seasons,
for the gift of rain and sunshine, and for all who work to bring food from the fields to our tables.
As we gather in thanksgiving, help us to remember those who struggle with poor harvests,
those who face hunger and poverty, and those who have little to be thankful for at this time.
Teach us to care for Your creation, to share generously with those in need,
and to recognise Your goodness in the many blessings of our everyday lives.
May the fruits of the harvest remind us of Your constant love and inspire us to sow seeds of kindness,
hope and generosity wherever we go.
We ask this through Christ our Lord.
Amen.
